AUBADE

Remember the Past
And look to the Future
But don't forget to look back
And Smile!

Don't forget to remember:
The classes, the homework
The exams and the papers
The failures as well as the A's

Don't forget to remember:
The cramming for exams, the last minute papers
The study groups and the late night munchie runs
The stress of the finals as well as the relief at end of term

Don't forget to remember:
The teachers, the faculty
The mentors and the tormentors
The support as well as the criticism

Don't forget to remember:
The electives, the required GEC's
The papers from Hell and the teachers to match
The killer courses as well as the easy A's

Don't forget to remember:
The clubs, the bars
The relationships and the hook ups
The fights as well as making up

Don't forget to remember:
The flirting, the dancing
The sexy smiles and the pick up lines
The nights like dreams as well as the night mares

Don't forget to remember:
The friends, the compadres
The late night talks and the unspoken bonds
The secrets as well as the inside jokes

Don't forget to remember:
The new friends made, the old friends lost
The fear of acceptance and the cliques that evolve
The ones that came before as well as those to follow

Remember the Past
And look to the Future
But don't forget to look back
And Smile!

MARGIE

We ARE SO PROUD OF YOU!

A Teacher's Prayer

I want to teach my students how--
To live this life on earth,
To face its struggles and its strife
And to improve their worth.
Not just the lesson in a book,
Or how the rivers flow,
But to choose the proper path,
Wherever they may go.
To understand eternal truth,
And know right from wrong,
And gather all the beauty of
A flower and a song,
For if I help the world to grow
In wisdom and grace,
Then I feel that I have won
And I have filled my place.
And so I ask your guidance, God
That I may do my part,
For character and confidence
And happiness of heart.

CONGRATULATIONS AND BEST WISHES

Why are more and more parents enrolling their children in MARTIAL ARTS classes?

At Thomas Clifford's Karate Academy our carefully structured programs are designed to bring out the best in each and every child we teach. Our programs will:

- Increase your child's attention span.
- Develop self discipline which will give your child the power to resist the many bad influences that face today's youth.
- Build self confidence which pays off for the rest of your child's life.
- Develop your child's mind and body at the same time.

At Thomas Clifford's Karate Academy our programs are built around the 8 principles of Black Belt Excellence:

- Honesty
 - Integrity
 - Humility
 - Courtesy
 - Harmony
 - Self-Discipline
 - Perseverance
 - Indomitable Spirit

By integrating these principles into your child's program, we give your child a head start in life.
